

Vision: Transform the hearts and minds of children by instilling Godly character which will guide them through life.

For in the day of trouble He will keep me safe in His dwelling. He will hide me in the shelter of His tabernacle and set me high upon a rock.

Your expressions of love and faith in action are impacting lives as abused and neglected children are finding refuge and hope! Thank you for understanding their invisible but painful wounds and for giving them a chance to rebuild their shattered lives.

Abuse and neglect rob children of their critical formative years and set them up for lifelong agonies. We absolutely must break the cycle of violence and despair! Without healing, hopelessness and despair will plague and control the lives of these victimized children. The family –based, Christ centered, model that Nana's House is founded upon, guides children, pointing them toward healing and wholeness and preparing them for a successful life. Unconditional love, structure, responsibility, and family unity work together to build hope and an understanding that they are valuable and were created for a purpose! Together we are reaching them at their greatest time of need. Your partnership in this unique children's ministry will make a lasting difference.

We at Nana's House promise to be good stewards with all that has been entrusted to us. Everyone involved is a volunteer and we receive no state funding. Please consider partnering with us this year as we grow and expand our ability to touch the lives of abused and neglected children throughout our community, ensuring success for "the least fortunate of these among us". They are counting on us! Please forward this to your family and friends. Thank you so much and have a great day! God Bless!
