Kim's Korner

Happy Anniversary Nana's House! Wow, It has been 11 years since Nana's House was started on April 20, 2007! I remember that day, like it was yesterday! It was a little scary stepping out there into the unknown! Wait! It was actually a lot scary! But, I knew that God was calling me to do it, although I didn't know how it would happen! These crazy dreams just wouldn't go away for two years before we finally stepped out in faith! Faith that He was in control and I needed to follow! When I think back, wow, I had zero experience in doing this and I wouldn't trade this amazing journey for anything! I have grown in my faith and been stretched beyond measure! They say that God doesn't call the equipped, He equips the called.... Well, He has certainly done that! I am so thankful for His great power, my amazing family and our awesome community that has supported this journey! This ministry truly melts my heart! I love seeing the little lives changed and their hearts healing!

The first house was completed in December 2009, and now we are well into the building of an entire gated community! The original dream, of course! This has only been possible through the grace of God and the loving people of our community, the hands and feet of Jesus.

Please click on the "Video" links below to see the building of the very first house, Video #1, and an aerial view of the progress on the gated community from a few months ago, Video #2. Through your generous

Gated Community Update

Please consider partnering with us!

The gated community is coming along very nicely. If you would like to partner with us in any of the following areas of need, we would greatly appreciate it! We are in need of a dock for our therapeutic pond area, someone to install windowsills in three of the houses and someone to install irrigation on a couple of the houses. We are also in need of someone to install kitchen cabinets in three of the houses over the next few months and we will need sod soon for our last four houses. As soon as we have our permit for the pool, we will need all aspects of pool construction, including volunteers and materials. We are getting so close!

We have received the permit for the onsite staff apartment building and are in need of a few more contractors. As always, we greatly appreciate all of the work that our contractors graciously volunteer to do for us. Please [Click Here](#) to see the list of contractors and builders that have been such a blessing to Nana's House!! Finally, let me know if you would be able to grade and build the parking lot at one of our Thrift Cottages! Now that we are growing in number of homes, our expenses are growing as well! Therefore, the new thrift cottage will provide additional income for us since we do not receive any state funding! Again, thank you so much for being a blessing to our ministry by providing for the children that we serve!

Gated Community Sponsorships Needed:

- House Sponsors (\$100k ea. x 2) ❤️
- Onsite Staff Apartment Building Sponsor (\$75k) ❤️

In Need Of A Computer

Wish List: Lenovo Laptop T450

If someone has an extra laptop computer like the one above that they no longer need, I could sure use one like this to do my presentations. The laptop that I currently have is very old and not compatible anymore to work with the projector. I am currently borrowing one for all fundraising event presentations.

*It must have a VGA connector to hook up to a video projector.

Thank you so much!
