## **Make Your Donation Count Double!**

Does your company participate in a Matching Gift Program? Corporate matching gift programs are charitable giving programs setup by corporations in which the company matches donations made by employees to eligible nonprofit organizations. For example, if a donor works for Bank of America and donates \$100 to Nana's House, Bank of America will double the donation by also writing a check for \$100. Thousands of companies offer matching gift programs.

Check with your company's Human Resources department to see how it works at your firm and make a bigger impact when you donate this #GivingTuesday.
