Nana's House Christmas Lists 2019

Thank you so much for collecting gifts for our community this year! On the next few pages you will find not only the wanted toys and needs of the children placed in our care, but also some wanted and needed items from our entire community. We know that everyone loves buying toys, but we also wanted to give you the opportunity to support us through some other requested items that might not be everyone's first thought when it comes to buying Christmas gifts.

Now for a few requests about the gifts we receive:

1. **Please do not wrap the gifts.** We know that it's tempting and a fun part of the gift giving, but we do need to be able to see the gift before it is given to a child.
2. **Please include a note of some kind saying who the gift is for.** We cannot give out the names of our kids, so please just write something like: 2-year-old girl, or in the case of buying a house gift: House 2. This way we can make sure that the gift you got goes to the person it was meant for.
3. **Please drop gifts off by December 20th.** Please drop any gifts off at our gated community by Friday December 20th.
4. **Please give from the heart and remember to have a wonderful holiday season!**

From our entire Nana's House Community, thank you and have a very merry
Christmas!!
