Happy Easter!

I am so excited to give an update about our Nana's House Gated Community! The community building was being inspected so we can start our drywall! House One - interior doors and trim was being done and the interior was being painted; House Two - the stucco was being done and the drywall was being installed; House Four - the cabinets are all in the bathroom and tile is in; House Five and Six - the walls were pumped; and House Seven - the the termite pre-treat and slab was poured. House Eight is being pinned and stem wall will be done next week. I also met with a company that is doing our irrigation plan and the company that is donating trees and plants.

A huge shout out and **THANK YOU** to all of our builders and contractors! Please view our list of contractors and builders on our website and support them. Together we are changing lives! To God be all the glory! Happy Easter everyone!

Kim Frodge,
Director and Volunteer

Thank you so much to everyone that volunteered, sponsored, and attended our 10th Annual Nana's House Dinner, Dance and Silent Auction at the Crowne Plaza Hotel Oceanfront! Looking for House Parents and a Manager for the Gated Community!

We are looking for just the right Christian couples to parent our homes. If you or someone you know would be interested in this important role, please contact Kim Frodge at 321.266.3829. Praise God! - in the past week we received 5 applications, but there are going to be 8 houses, so more are needed.

The Manager position entails overseeing the daily operations of the community, communicating with the House Parents and biological parents, and coordinating activities with the Director.

We provide private housing, all utilities, groceries, and a vehicle. For those who feel called to these full-time Christian ministries and desire the opportunity to make a difference in the lives of these children. Please email your resume to:

nanaschildrenshome@yahoo.com
