We are growing tremendously during these crazy times! As our ministry grows and expands, so are the needs of our families. We especially need foster families to partner with us to serve the children brought into our care. If you have a love for the Lord and want to help children in need, please contact me so I can connect you with our One More Child representative located in our West Melbourne office. We have seen the amazing journeys of both our foster families and the children that they have cared for. There is never a dull moment!!

If you are a church or business and would like for me to come and share more information about our Nana's House ministry, please contact me. I would love to set up an appointment with you! Please, please spread the word so others can learn more about what we do here at Nana's House.

Thank you again so much and have an amazing and blessed day!!

Easter at Nana's House 2023

Easter 2023 was wonderful here at Nana's House. We were blessed in so many ways and would like to share some photos from that weekend.

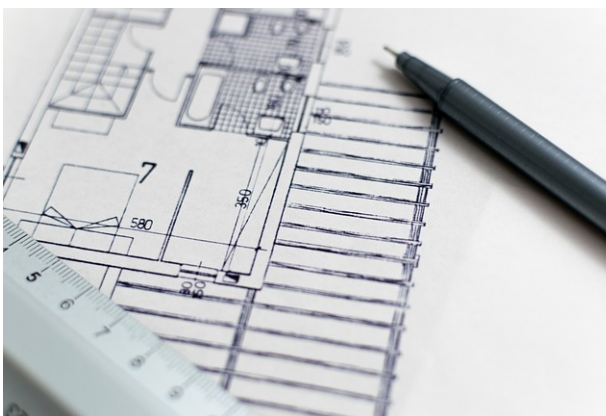

Nana's House Easter 2023

First of all, a big **THANK YOU** to Ruthie Menendez, Kim Mooty and the “girl tribe” who took so much time making custom Easter baskets for each of our children based on their favorite colors, interests and clothing sizes. Each year this wonderful group of ladies raise the money to spend specifically on our Nana’s House children’s Easter baskets. These baskets serve as sweet reminders that our children are loved by God who sacrificed His own son for us. The baskets were picked up and separated for easy pick up on Friday, April 7th .

On Saturday, April 8th, Nana’s House hosted an Easter Egg hunt and had a visit from the Easter Bunny herself!! It was a fun morning for the kids!!! Thank you to the sweet volunteers who helped make this Easter special for our families. We are so grateful.

Babcock St. Thrift Store Expansion

Our thrift store on Babcock St. in Melbourne will be expanding an additional 10,800 ft.! This has been desperately needed for over a year! I spoke with Bruce at MBV Engineering, Inc. and it looks like things are starting to move along. I am so excited to share that the following builder and contractors have stepped up to help us so far:

Mike - MH Williams Construction

Bruce - MBV Engineering, Inc.

Tony Adams - Structural engineer

Chris - Eau Gallie Electric

Justo - CAG Architech

Jake - Sheepdog Concrete

We are still in need of more contractors! If you would like to help us with this project, we would truly appreciate it! We need you! As always, we are a Christian, children's home, with 100% volunteers and 100% community funded. Just old-fashioned charity, where the community comes together to help those in need! We provide safe, loving homes for neglected, abused, needy or abandon children in our community! Together we are giving them love and hope! Thank you!

Siding needed at the Malabar location!

Friends & Family,

We need help at our Nana's House Malabar location! We have about 20 boards of siding that are rotted and need to be replaced so we can get this property

painted! Regal Custom Painting has volunteered to paint our Malabar house, but we need to get the compromised wood replaced first. If you can help, please call Kim @ 321-266-3829!

Thank you so much and I hope that you have an amazing day!!

Foster Parents Needed!

Every day, children in your community are removed

from their homes due to abandonment, abuse or neglect. They need stability. They need love. They need hope. Through foster care we place children who have gone through traumatic situations with loving, Christian foster parents who make immediate and eternal impacts on their lives and often on the lives of their family members. We have been providing Christ-centered services since 1904 to help one more child. We have incredible partners in Brevard County, Nana's House Children's Homes, and expert staff ready to meet your needs, to help you help more children. Brevard is currently in a bed deficit for foster children, meaning that we do not have enough foster parents to house these vulnerable children. We urgently need more Christian foster parents to share the love of Christ with these children and to give them love and stability.

We are so grateful to our "chicken coop" sponsors, donors and volunteer builders. Greg Hall, our Nana's House facility manager, coordinated and worked alongside several key volunteers to design and construct a chicken coop that will house our chicks that will soon be egg laying hens!! Our families will be participating in the care of the new coop, and our community is thrilled to know that fresh eggs will be coming soon from our girls, named - Nugget Jr, Cheez It, Taco, Muffin, Mumble, Oreo, Waffle and Spicy Chicken!!
