Gated Community Update

We got our 1st Certificate of Occupancy (CO) for the Kessel Family Home (Blue Sky House) - LifeStyle Homes builder - on Thursday last week; received a phone call on Friday for children needing a safe home; our house parents (Jenn & Nick) packed up their home Friday night and moved into our house on Saturday and had a house full of kids on Sunday! God is good!

Next week the Hollis House - Christopher Burton builder - will receive their CO and Judy's Place Community Building - MH Williams builder - will not be far behind. All the other houses walls are up and roofs are on. The walls of the Vi Frogde Stop & Shop are up and ready for the rafters. So many things are happening on a daily basis, it would be hard to list them all here. **WOW**, we are seeing our dream come to life!

We need more house parents for our new homes!! (see below for details) Lots of children in need. I received a call today for 2 more children but we are now full in all 3 of our homes!!

Hugs and huge **THANK YOU'S** to all our generous builders and contractors who are helping us make our community a reality. Please visit our website to see the list and if you're planning a project or are needing anything for your home, please be sure and patronize these wonderful contractors!

Do They Match?

Does your company participate in a **Matching Gift Program**? Corporate matching gift programs are charitable giving programs setup by corporations in which the company matches donations made by employees to eligible nonprofit organizations. For example, if a donor works for Bank of America and donates \$100 to Nana's House, Bank of America will double the donation by also writing a check for \$100. Thousands of companies offer matching gift programs.

Check with your company's Human Resources department to see how it works at your firm and start making a bigger impact when you donate to Nana's House.
