FROM NANA'S HOUSE 

Our last builder has stepped up to build House #4 at the Gated Community

LifeStyle Homes

Now we just need 5 more House Sponsors plus Plumbers, Electricians, Drywall Finishers, Framers & Stucco companies to help us round out the construction part of the community.

Our Valentine Dinner/Dance was a huge success, not only for the great time we had and the wonderful sponsors, donors, and guests who participated, but we had a SPECIAL PERSON step up to provide DRYWALL for ALL the houses at the Gated Community.

Thank you to the anonymous donor
"TAKEN CARE OF"

See more of "Who's Stepped Up" on the website.
There might be an open slot where you could donate
to help complete the Gated Community.
