## Foster Parents Needed!

Every day, children in your community are removed from their homes due to abandonment, abuse or neglect. They need stability. They need love. They need hope. Through foster care we place children who have gone through traumatic situations with loving, Christian foster parents who make immediate and eternal impacts on their lives and often on the lives of their family members. We have been providing Christ-centered services since 1904 to help one more child. We have incredible partners in Brevard County, Nana's House Children's Homes, and expert staff ready to meet your needs, to help you help more children. Brevard is currently in a bed deficit for foster children, meaning that we do not have enough foster parents to house these vulnerable children. We urgently need more Christian foster parents to share the love of Christ with these children and to give them love and stability. **The next foster parent training class starts January 10th, call today to register for class! 321-353-4252**

## Year End Letter

*I will give thanks to you, Lord, with all my heart; I will tell  
of all your wonderful deeds. Psalm 9:1*

Dear faithful supporter,

We are so very grateful to you and your faithfulness to our children and families here at Nana's House.

We continued to see God's handywork throughout 2022 and we love to tell of HIS wonderful deeds!

This year we were able to PLAY our new playground that we fundraised for in 2021. Because of delays in deliveries, our playground was not installed until August, but it is a welcome addition to our Nana's House community and will allow for years of play for our children. The playground colors complement our original Cody Monahan "Sea Turtles" mural on our Stop and Shop located beside the playground. We are so thankful for the many donors that made this a reality for our children this year.

Nana's House is also expanding our Nana's House Thrift Store located @ 4490 S Babcock Street. We still need help in many areas to make this expansion come to fruition. This includes contractors in very specific areas of construction, so please contact Kim Frodge if you can help us with this project. The Thrift Store is a productive resource for completing our ministry to the children brought into our care so this expansion will have a real impact on our ability to do that in an excellent way.

On another note, our partnership with One More Child has opened other opportunities to serve children in a number of different ways. True to our core values, we hope to change the course of young lives caught up in the tragedy of trafficking. We ask for you to please keep these children in your prayers in the coming year.

Nana's House currently has 11 families with over 50 children; three couples who have completed all their training and are moving forward in their foster journey and another five more couples signed up for training classes in January 2023.! What a privilege and honor to serve in this way!

We're seeking more Christian couples to live on-site in our gated community. We are also interviewing couples who desire to live in their own home while serving as foster parents. Foster parents receive licensing through **One More Child**. OMC is responsible for the vetting of all foster parent candidates, all the required training of foster parents and the placement of children in the homes. The OMC offices are in our Community Center here at Nana's House.

This last year has brought many challenges for our supporters, donors, volunteers and families. This is the first year our donations have been at almost half of the year before. Our focus on good stewardship has proven to be a solid practice as our community has not faltered in any way – but in view of the wonderful opportunities to serve God's little ones in 2023 and beyond, please consider making a year-end, fully tax-deductible gift to Nana's House. We could not do it without your faithful financial support, because we are and have always been 100% donations funded.

This Christmas and always, I am reminded:  
***“Rejoice always, pray continually, give thanks in all circumstances;  
for this is God’s will for you in Christ Jesus.”***  
*1 Thessalonians 5:16-18*

God never promises that you will not experience hard and difficult times, but He did promise to be with us through those times. Gratefulness is one way you express your confidence in God’s word at such times and a way to activate and release the divine presence over your life during those hard times.

We are so grateful for you and look forward to an exciting and prosperous 2023! You are making a difference in the lives of children in need of a loving home! Please continue to pray for our foster parents, the hard-working volunteers and staff of Nanas House, and the many donors who provide much needed resources to help us meet the needs of the children that the Lord sends our way!

Enjoy Christmas with your loved ones and have a very blessed day!
