

# FOSTER CARE

## START YOUR ADVENTURE TODAY!

We have foster care offices throughout the state with expert and compassionate staff members who are ready to help you take the next steps to being a foster parent.

People like **you** are changing children's lives by opening their **homes** and **hearts**.

We have an urgent need for Christian foster parents who are willing to welcome sibling groups and children ages 6 and up into their homes.

**ONE MORE CHILD**
