

## From Nana's House.....

This is a special time of year when we stop to think of all the things we're **thankful** for. I've got quite a long list this year!

I am so **thankful** for the Almighty God that I serve! He created me and He refreshes my spirit regularly and faithfully!

I am so **thankful** for my amazing and supportive husband and family and our health!

I am so **thankful** for the job that He has called me to do in this community!

I am also so very **thankful** for the many volunteers in our community that God has put the burden on their heart as well to volunteer, donate, support, and build more safe, loving, homes for the children in this community that are in need! He has put a burden on my heart to help neglected, abused, needy, or abandoned children in this community! I know that I am right in the center of His will for my life and there is no other place I would rather be!

I love our community and I'm so **thankful** for the wonderful community that we live in!

Together we are making a difference in the lives of children! We are giving them love, hope, and safety! We could not do this without your support and I am so **thankful** for you! May you have a blessed Thanksgiving!

Blessings, Love & Hugs,
