### **HAPPY NEW YEAR!**

Happy New Year! Well, this is an exciting new year! It is amazing to me when I think back about all of those dreams at night that would not go away! This year those dreams have become a fully completed reality! Not only did they become a reality, but it is completely mind-blowing when I think about how it has laid out almost exactly like those dreams and that I had no control over how it was laid out because the land was already developed! It is incredible to think about a whole gated community being completed in two years with the majority of work being done by volunteers and the majority of the materials being donated! I hope that you will support the contractors that gave of their time and talent if you need those trades!

I am so thankful for the community that we live in! Together we are changing the lives of Neglected, Abused, Needy or Abandoned children! We are giving them hope, love and a safe home! To God be all the glory for His divine wisdom and guidance!

Blessings, Love and Hugs,

## **Extreme Build / Gated Community Update**

Well, our extreme build was absolutely amazing! We completed our two-story apartment building in 26 working days! From dirt to done in 26 working days! It was so extreme that we had to change the name halfway through to Nana's House extreme, off-the-chain, miraculous build! This is a time when contractors and supply companies are extremely busy, yet they took time out to help, to make a difference in children's lives and they volunteered for no pay! That says a lot about these contractors' character and hearts! I am so thankful for each one of them and I hope that if you need any of those kinds of services that you will reach out to them!

142 Productions is in the midst of creating our very own Nana's House extreme, off-the-chain, miraculous, build video! We should have certificate of occupancies for all of our buildings on our Nana's House property next week! Our swimming pool is moving forward at full speed, being volunteer built by Intercoastal Pools! Our security gate is being built and donated by Florida Door Control!

We are almost completely done with our gated community! We are planning to have our **Grand Opening Celebration and Family Fun Day on Saturday, April 20 from 10:00 a.m. to 2:00 p.m.!** We will be sharing more details about this next month. The day we have all been so excited and waiting for!!!

\*Please visit our website for a complete list of contractors that have donated their time, talents and resources to our new gated community! Please use these contractors when you need services. They truly give from the heart!

**Thank you so much!**

sponsorship money goes towards the expenses that we could not get donated and it gives us a little income to support that home until we get our donations increased! Once we get an on-site community liaison to work in the office and our maintenance person, I will be going out and doing more community awareness and fundraising!

Thank you so much!
