Kim's Korner

Dear Nana's House Supporter,

Things are busy as can be at Nana's House! We have seven homes open and four more in the works! I'm so thankful for our on-site volunteer staff, Cindy Best and Jean McCauley! They are a huge blessing to all of the families that we serve! I am also thankful for Heather that runs our thrift store, as well as all of our amazing volunteers that pick up donations, work in the store 6 days a week, keep things clean and organized, and sell the donated items so that we can provide for the basic housing needs of our on-site families.

I'm also so thankful for our amazing community that provides for all of the needs that we have! Thank you so much for always being there for us! We truly could not run this old fashion volunteer charity organization without you! I am blessed beyond measure to be a part of this ministry! I really appreciate **Get Fired Up** for sponsoring our newsletter this month!

It has been a rough year for us. I am so excited that things are getting back

URGENT NEED

It has come to our attention that we are in need of fencing
around our beautiful pond. This fence will serve our com-
munity in two ways.

One—Keeping our kids from easy access to the water and
secondly - deter creatures from entering our pond, like our
most recent "Bob the Gator" . We believe it would take
around 285 feet of chain link fencing to protect our little
ones.

Please let us know if you can help in any way.

We are so grateful to everyone who continues to be a part of
our mission here at Nana's House! Thank you!!

ONE HOUSE LEFT!

in need of \$100K Legacy Sponsorship

Our “**Lil Turtle**” House is our last house in need of a sponsor.. These house sponsorships allow our homes to be used for many years to come for the benefit of the precious children entrusted to us. Each house has room to accommodate up to 5 children with a loving foster family placed in our beautiful gated community.

As a sponsor, your name or business will be recognized on a unique plaque that will be placed at the entrance of the home.

—”By wisdom a house is built, and by understanding it is established, by knowledge the rooms are filled with all precious and pleasant riches.” Proverbs 24:3-4

Vision: Transform the hearts and minds of children by instilling Godly character which will guide them through life.

For in the day of trouble He will keep me safe in His dwelling. He will hide me in the shelter of His tabernacle and set me high upon a rock, Psalm 27:5

We are Looking for Foster Parents!

Has God been calling you to be a blessing in the lives of neglected, abused, needy, or abandoned children? If so, the ministry at Nana's House could be your God-appointed

ministry at Nana's House could be your God-appointed mission field. We are currently looking for on-site and off-site foster families!

We are looking for married Christian couples with a heart for children in need! We currently have four homes available for foster parents in our gated community! If you would like to stay in your own home and foster children, that is awesome as well!

Foster parents receive licensing through One More Child. OMC will be responsible for the vetting of all foster parent candidates, all of the required training of foster parents, and the placement of children in the homes.

There are many children in need in our community! If you or someone you know feel called to make a difference in the lives of children in need, please contact Kim Frodge at nanashouse3492@gmail.com or Katrina Moore at katrina.moore@onemorechild.com

Playground Sponsor(s) Needed

Leave a lasting impact on the lives of our children living in the Nana's House community by sponsoring a new playground.

With a donation of \$75,000, we can install a *commercial-grade playground* with shade that ensures endless hours of fun for the many kids that use our playground on a daily basis. This would also include separate areas for a permanent basketball hoop and tether ball set.

The sponsor(s) will be recognized by a unique plaque with family, business name, short message or "in memory of" message placed near the new playground to remind everyone of your kindness and generosity.

to remind everyone of your kindness and generosity.

Volunteers Needed!!

VOLUNTEER: A person who performs a service willingly and without pay.

At Nana's House there is always something to do!!
Our ministry relies on the generosity of our donors and volunteers. We **cannot** fulfill our ministry without your help. If you are interested in the many opportunities to serve, please call Cindy @ 321-724-5111 x 2.

Whatever you do, work heartily, as for the Lord and not for men,

knowing that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ . ([Colossians 3:23-24](#)).

We need a few good men!

Nana's House is in need of a few good men willing to help at least one day a week with local pickups for our thrift store and the Nana's House community.

Please call Heather
@ 321-724-5111 x4 for more information
on how we can make you a part of our crew.

But as for you, be strong and do not give up, for your work will be rewarded." 2 Chronicles 15:7

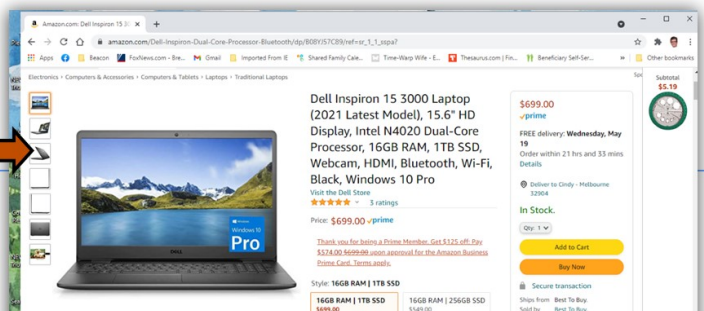

Nana's House is in need of two new computers.

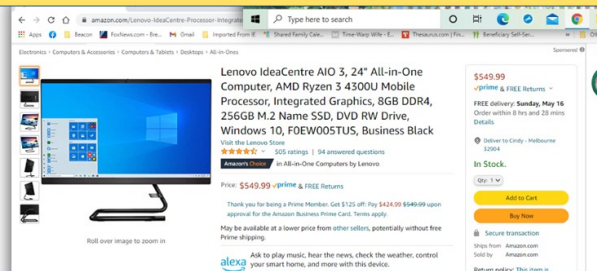

It has become evident that our current computer capabilities have become problematic and continue to be a hurdle for our ministry. Our best solution is to start with brand new computers with upgraded capabilities, larger storage and speed. We believe this solution will give us many years of valuable use. The below computers listed in this flyer are the type or kind of computers we believe would be a good value for what we need.

If you can help us with this particular need,
we would be extremely grateful.
Thank you very much!!

**Day of Compassion—Calvary Chapel of Melbourne &
Coastline Community Church—love work day
April 24, 2021**

What a day!! On April 24th, our campus was buzzing!! **Calvary Chapel of Melbourne** sent out a volunteer work crew of about 30 volunteers to spruce up the community for their *Day of Compassion*. On the same morning, **Coastline Community Church** sent out another 20 volunteers of their own to install three bike storage shelters and join forces in the "clean up/ spruce up" operation. Our newest volunteer staff member, Jean, buzzed around to ensure everyone had what they needed and were well hydrated. We are so excited to have our community center beds freshly weeded and mulched, the rest of our picnic tables painted, sidewalks cleaned and fresh sealer painted on our wood playground. What a blessing to our community and all of those who live here. Thank you just seems to fall short of our gratitude.

WE are so very grateful!

And the winner is
