

## Letter from Kim

Dear Friends of Nana's House,

Wow, we have some amazing news. Nana's House now has the land to build our gated community! It is located in West Melbourne. I continue to be humbled at the sight of God's mighty hand at work! To say that I am in awe is an understatement at this point.

Due to Nana's House being full shortly after our opening almost 5 years ago, God has provided an opportunity for us to open Nana's House #3! This means that there will be 5 less children in our community in need of a safe, loving home! We currently have 2 houses with children. Our third house was donated and has almost been completely renovated with volunteers and donated materials! We will be opening it soon. We currently have 2 children on a waiting list.

Since April 20<sup>th</sup> of last year I began keeping track of the children that we have had to turn away due to being full at Nana's House and the number is heart breaking.....90 children! A sibling group of 8, sibling group of 3, multiple sibling groups of 2, even a new born, just to name a few. They all come from various situations like drugs, homeless, incarcerated, ill parent or grandparent, etc. I can't begin to describe the pain that comes when having to say "I'm sorry but we can't help!" Together, I know we can help more children if more people knew about the great things that we are doing at Nana's House and the awesome ministry that we have here! It is incredible to see the little lives change right before our eyes and know that we are making a life, long lasting difference in the lives that are entrusted to Nana's House!

Please remember that we are 100% community funded which means that we do not receive any state funding and we are 100% volunteers, so we need you to help us provide for innocent children that can't help themselves!

With that being said, time is quickly approaching for our 2<sup>nd</sup> Nana's House Building Fund Banquet for Thursday, October 9, 2014, at 5:30PM at the Hilton Rialto, in Melbourne FL and we are in need of 35-40 table hosts that will commit to inviting and filling a table of 10 including yourself! You would be welcome to invite family, friends, co workers, associates, etc. Any one that you think would make a donation toward our cause. This is a good way to get more people in the community involved and educated on the needs of children in our community and an

opportunity for us to share information on the services that we offer.

We are also in need of a \$10,000.00 event sponsor. This will cover the expenses of the dinner event. This could be a business, organization or an individual. Your name would be on all press releases, invitations, and you would have 5 minutes speaking time at the event as well as a reserved table for 10 people. We also have several other sponsor levels; please see sponsor form for more information. We are hoping and praying to have 350-400 people, it depends on how many table hosts we have involved!

This banquet is a major fundraising event of the year, and the response from the community has been phenomenal! The purpose of this letter is to request your help in underwriting the cost of this year's banquet. The event will be well attended; we are expecting 300-400 people to come out and help support the ongoing work of the children's home. As a sponsor you will enable us to provide a delicious meal and an inspirational program to many of the people in our community who may not be aware of the ministry of Nana's Children's Home, Inc. DBA Nana's House. At the conclusion of the evening program all those in attendance are invited to make a financial commitment for the gated community that we will be building! Our event was very successful last year and with your support we look forward to a great response this year as well. The sponsorships for this event provide the seed money that will enable Nana's House to raise the funds necessary to build our gated community where we will be able to house up to 40 children full time in individual cottage style homes. As a sponsor your name will be listed in the banquet program, on a table sign, and you will receive recognition in our upcoming newsletter (please see sponsor form for various levels of sponsorship).

We are certainly sensitive to the fact that these are very lean economic times for many businesses, and that charitable donations may not be a top priority right now. However, kids still need caring for, and with your help and that of many local businesses we here at Nana's House will be able to continue to provide a home for children who might otherwise never experience the security and stability of a loving family.

Now that we are opening more homes this means that our expenses will be increasing substantially and we are counting on you, our supporters for help. Every little bit helps make a difference in the lives of neglected, abused, needy, or abandoned children right here in our community! We are also praying for house parents for our new homes, so please add that to your prayer list as well, it would be greatly appreciated! He provided the incredibly outstanding house parents that we have now and I know He will raise up our next sets at well! I would love to share more info with you on this upcoming event so please call me if you are interested in helping.

Also, I would just like to thank our Nana's House supporters that volunteer, provide services that we need, and those of you that send in monthly, quarterly, or annual financial support, we couldn't do this without you and I want you to know that I truly appreciate you from the bottom of my heart! You are making a difference in the little lives of neglected, abused, needy, or abandoned children every day!

If you haven't begun to support us financially I pray that you will prayerfully consider doing so. We are very frugal with all of the money that is entrusted to us and I assure you that we have no waste, anyone involved with Nana's House will agree with this statement. I always try and get items that we need donated first, after all we have a gated community to build and 40 children at a time to provide a safe, loving, home for! I thank you in advance for your support! If you have any questions, please call me at 321-266-3829. Have a great day! God bless you!

Sincerely,

Kim Frodge  
Founder / Volunteer
