Happy Thanksgiving!

I would like each of you to know that I truly appreciate you! I am so thankful for my husband and family, all of our volunteers, supporters, builders, contractors, the children that have been entrusted to us and, most of all, God! I feel privileged and honored to be a part of such an amazing ministry! When I think back over my life, who would've ever thought that He would've called me to lead this ministry!? He's really got an awesome sense of humor! God knows that I have had no idea what I'm doing! I'm just along for the ride and it's so amazing that once He calls you..... He equips you! It is truly amazing to see God's hand at work in huge, mighty ways on a daily basis!

Have I mentioned that I love what I do! I love making a difference in the lives of children that cannot help themselves! I love giving them a safe home, hope and love! Don't get me wrong, this has not been an easy journey but it has been amazing! All of this is possible because of you! Children are our future! I am so thankful for our amazing community and each of you! Thank you for making these dreams, that came 13 years ago with exact detail, a reality!! I hope you have an incredible and Happy Thanksgiving!

Extreme Build Kick Off, Dec. 1st!

I am gearing up to do an extreme build kick off on **December 1st!** We have now secured our block layer and framer! These two contractors will be the only ones on the job site working until they are completed with their task, then multiple trades will be in on the other days! We will be doing this in a safe and effective manner! I will need volunteers that are interested in helping me with keeping this site cleaned up for all of the contractors as they work! If it's God's will, we will complete this two-story apartment building in seven working days! Then we will be done with all residential buildings! I will also be in need of someone to help me with providing drinks and food for the contractors while they are working! **142 Productions** will be here to volunteer putting together an extreme video at the end of each day!

ADDITIONAL NEEDS:

*We need someone to make laminate countertops and install them at two of our homes.

*We also need someone to do stucco work.

Please call me immediately if you can help me with any of these needs! My phone number is 321-266-3829! I look forward to hearing from you!

*Please visit our website for a complete list of contractors that have donated their time, talents and resources to our new gated community! Please use these contractors when you need services. They truly give from the heart!

Thank you so much!
