*Wear **BLUE** tomorrow in support of the prevention of child abuse and neglect*

April is Child Abuse Prevention Month, a special time when those of us who care about children can help raise awareness about child abuse and neglect and what we can all do to keep our children safe. In 1983, April was proclaimed the first National Child Abuse Prevention Month. As a result, child abuse and neglect awareness activities are promoted across the country during April of each year.

And you know **Nana's House** cares about **N**eglected, **A**bused, **N**eedy or **A**bandoned children. So **join us this Friday, April 8th**, and wear blue so everyone knows how much you care!

You can also show your support with a **donation from your heart** to our **Gated Community**. Your donation will help provide more homes for these children who need our help so desperately. Help us not to have to say NO - we don't have room for this child. Click on the image below to visit our website and make your donation.

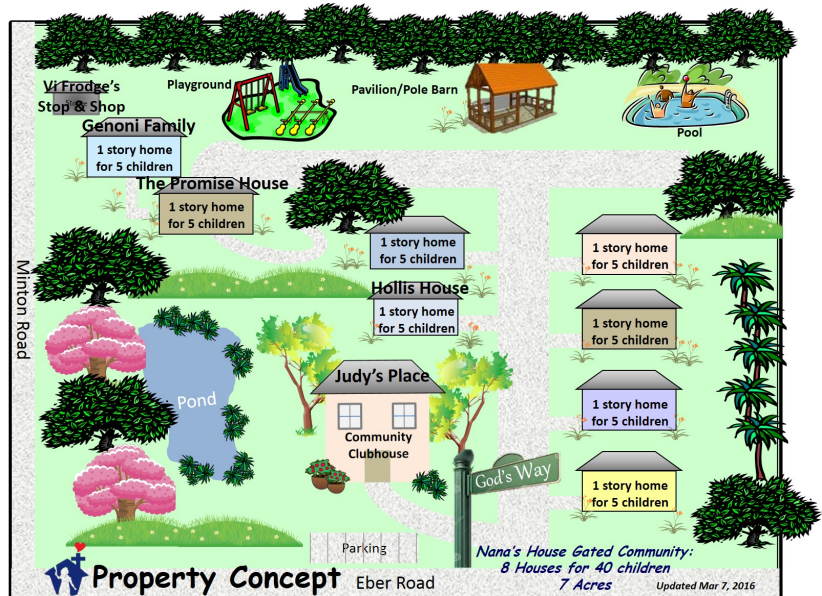

UPDATE ON THE GATED COMMUNITY

Everything is moving right along!

Installation of the fence around the property begins this Saturday, April 9th. Thank you to our special donors: Community Foundation for Brevard, The Frechette Family, The Schuler Family Fund, an Anonymous Donor,

Brunner-Hagen Inc. Surveyors, and Allied Fence LLC. You're helping to make the Gated Community a safe place for the children.

Permits for building the first house and Community Building are in process and we will be breaking ground soon! **Our 9th Anniversary is April 20th.** So when you see those homes start to go up, you'll know that dream I had 12 years ago is becoming a reality. Thanks to everyone who has supported Nana's House through those years and for continuing to support our mission.

SPEAKING OF BUILDING.....

We're still in need of more builders and contractors for the Gated Community. See who has **STEPPED UP** and where **HELP IS STILL NEEDED.**
