## Help Us Help Neglected, Abused, Needy or Abandoned Children

Nana's House is in need of volunteer crews of about 20 people to help us at our Thrift Cottage to clean out one of our storage barns, set up shelving and organize the inventory. This will require some heavy lifting.

We are blessed with generous donors who have given us so much furniture and household items that we're running out of space. With your help we can straighten out the barn and organize the items for quick sale.

Our Thrift Cottages provide a steady income stream to support our families with day-to-day living expenses. So any help you can give to keep these stores operating smoothly will be greatly appreciated!

Nana's House is a Christian children's home and we totally rely on the generosity of our local community to sustain our homes. Some of you have helped us in the past and we truly appreciate your help!

**If your church can help, please contact Kim Frodge at 321.266.3829.**
